

Timeless Nickel Gap Shiplap

Interlocking pattern

MEET TIMELESS SHIPLAP

Add a classic, clean look to walls and ceilings with the sleek lines of UFP-Edge Timeless nickel gap shiplap. Timeless shiplap features an interlocking pattern, which allows for a more secure installation with less exposed fasteners and minimal touch-up. Each board is made from finger-jointed, knot-free radiata pine wood, which resists warping.

Both primed and pre-painted boards go through a multi-step finishing process that removes blemishes, resulting in an ultra-smooth surface.
