Edge EvoTrim Selected as a Good Housekeeping 2026 Home Reno Award Winner

GRAND RAPIDS, Mich., April 15, 2026—EvoTrim™ by Edge, a leader in exterior trim and siding products and part of UFP Industries (NASDAQ: UPFI), was named a winner in Good Housekeeping's 2026 Home Reno Awards. The full list of awards can be found on [Goodhousekeeping.com](https://www.goodhousekeeping.com).

EvoTrim, infused with TRU-CORE® technology, is an innovative, engineered wood trim that's treated to its core with five EPA-registered preservatives. This treatment delivers uncompromising protection against rot, mold, decay, insects, and termites.

Each board is then factory-primed with two coats of exterior primer and comes with a best-in-class 40-year limited warranty. EvoTrim is available in a smooth or textured finish and is ideal for exterior trim and fascia applications.

"We're excited and proud that EvoTrim was selected by *Good Housekeeping* for its 2026 Home Reno Awards," said Dominic Beaulieu, managing director at Edge. "The recognition from such a reputable publication and consumer resource is the ultimate proof that we are executing on our promise to be best-in-class in the exterior trim space. We will continue to drive innovation and set the standard for performance."
